We've been part of the Hamilton community since 1969, and a lot of our staff have been here for over a decade.

Plus, thanks to our loyal and friendly client base, we've also been voted Best Vet and Best Clinic by the Hamilton Spectator's Readers' Choice Awards many times since 2017.

The vibe here is energetic, collaborative, and genuinely welcoming. Everyone pulls their weight and contributes to the tight-knit team dynamic.

With standard weekly hours and no emergency work, you can enjoy your time off to the fullest – with access to great food, trails, waterfalls, and activities at your doorstep. Experience the peace and greenery of a smaller city with the energy of Toronto close by!

Hear it from our team:

What our clients say

We went to Gagemount animal hospital for almost 12 years and received the best care for our fur baby. He was always excited to go into the clinic, staff were always friendly and willing to answer any questions we had. Thank you for providing such great care to Max over the years.

From the moment we walked in, the staff was kind, thorough, and incredibly knowledgeable. They genuinely care about their patients and go above and beyond to help.

My senior dog, Pica, was not feeling well at all, and they did everything they could to make her as comfortable as possible. They were so patient and understanding, which made a stressful situation much easier to handle.

It's clear that this team is passionate about what they do, and I feel confident knowing my fur baby is in great hands.

I found the entire staff at Gagemount to be highly professional and knowledgeable. They are empathic and show compassion for the animals in their care. They have strong communication skills to discuss their recommendations and explain treatment options. Above all else they show their love for animals which is so essential. I highly recommend Gagemount Animal Hospital!
