# Meet WBSAH

Looking for a rewarding veterinary career within a community that truly cares about animals?

Join WBSAH in Fort McMurray, where our collaborative team prioritizes mentorship and having fun together.

We offer a partnership with the local rescue and state-of-the-art ultrasound/dental equipment, which means more diverse cases and hands-on experience that accelerates your development.

Plus, enjoy a \$100,000 signing bonus and relocation support to ease your transition.

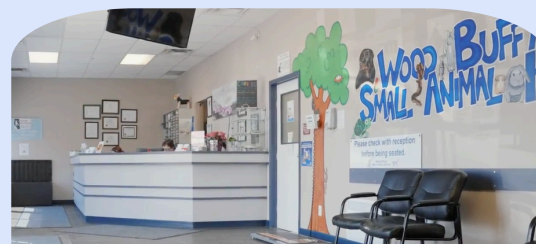

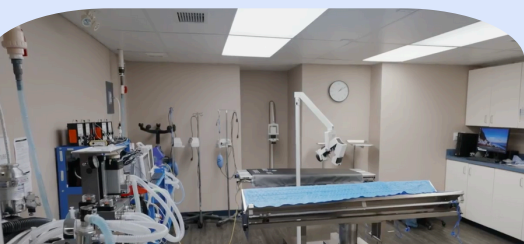

Imagine ending your shift and seeing the northern lights dancing across the sky. This vibrant community offers not just natural beauty – with campsites close to town, cross-country ski trails, a lake to float down, and horseback riding – but events, too. Make friends at artisan markets that take place year-round and eat up at the annual Rib Fest!

## Hear it from our team:

“We just got a new ultrasound and it has it all; even a specific probe for cardio!

We have our X-ray that is hooked into SignalPet. The DVMs have really enjoyed using it. For new grads, the AI looks through the image and gives you the findings.”

# What our clients say

**Crystal Parsley**

We had such an amazing visit. I was sad my fur baby was hurt but the staff made me feel comfortable and safe. They all were very lovely and caring.

**Stephanie Brown**

My visit was a 10 from start to end. I always get a warm welcome when I go there. The staff are all so pleasant and answer any questions/concerns I have.

I would recommend this vet to anyone.

**AJ**

The staff there are so kind and helpful! The doctors and RVTs are amazing at what they do and I wouldn't trust anywhere else with my babies. The receptionists are always so pleasant and do their best to go above and beyond!! All and all, never disappointed when we go there! :) Keep being awesome ladies!!

**Kayla Royston**

Lovely centre. Amazing staff who knows what they are doing and care deeply for the health and well being of your pet
