What our clients say

Janet Jackson

They're the BEST! So caring and attentive to your 4 legged friends. My 4 legged 'fur babies' have always been happy to go 'to the vet' at Banded Peak, no matter what the reason, for over the last 20 + yrs. Yes, some young ones, some elderly ones. Excellent care & advice.

Linda Jenkins

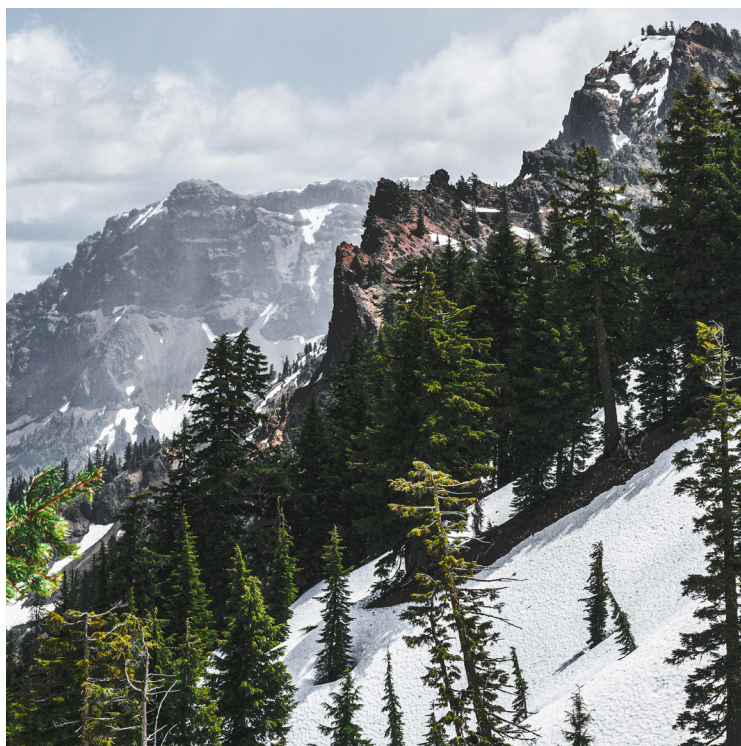

Forever grateful to Banded Peak vet clinic for taking care of our beautiful dog over her 14 years, and for see her through her final journey with the surrounding of the outdoors. Making the experience for our dog, and us, a peaceful and beautiful one ❤️

Kelly MacIsaac

This is the best vet clinic Ive had the pleasure of helping my dogs. Ive had to move quite a bit, so my dogs have had to visit a few clinics. The staff are friendly, supportive, and Ive never felt judged on treatment decisions or my dogs' health. They provide options and explanations to help me make decisions. One of my dogs had recurrent infections. Within the first visit Dr. French identified the cause of the infections and got my dog healthy! I can't imagine going to another clinic. I always feel confident in the care plan and satisfied when we leave here.
